To Whom It May Concern:

Ms. Ai-Gul Gaisina has been engaged as a Guest Teacher and Coach for Houston Ballet following a distinguished career as a dancer and teacher internationally.

Ms. Gaisina's presence and contribution over the years has added greatly to the artistic and technical development of Houston Ballet. She is a constant inspiration to both the dancers and artistic staff.

Please feel free to contact me with any questions regarding Ms. Gaisina's time with Houston Ballet.

Sincerely,

Shauna Tysor
